HCR Sunrise has the same horn set as his renown Sire, TCC Houdini, who was destined to be over 100" if he hadn't died at an early age (his last measurement was 96.125" ttt) Sunrise has the same stuff going on. He could take your program to an exciting new level! If you investigate his pedigree you will see that he brings the power of TOP HAND, Overkill, and Wyoming Warpaint. Call me any time 605-381-3998
